

## ABOUT US

We can provide immediate short notice staff cover or planned long term cover for Nursing Staff, Care Staff and Home Care Staffs.

We can cater your person centered service requirements with our team of fully vetted and experienced professionals that you can always rely on.

Khule Healthcare is the solution to competent staff cover at a short moments notice anytime.

## WHY CHOOSE A TEMPORARY STAFFING SOLUTION ?

- The biggest challenge in this these desperate times is maintaining a dedicated workforce. Providing a fixed salary even when business is dull is quite hard in every job sector.
- Forget the troubles of recruitments, certification, documentations as we can provide you with the best staffs all ready to join in a short notice.
- We have the diversity in staffs you can choose the personnels best suited for your works and the changes between the staffs stays right between us.

## WHY CHOOSE KHULE HEALTH CARE LTD ?

### Thorough selection process

We have a thorough selection process which includes tests for competency and skills, compliance and RTW checks as well as a thorough background checks in these challenging times post Brexit.

### Save big and choose the right personnels

Health & social care workers with the right skill set are difficult to come by due to theoverwhelming demand for their services. We can help you cut costs without cutting corners.
